

## **Pros**

- Less interference from the government
- Costs have dropped to receive and publish news
- Increase access in rural areas to news
- Easier to become a journalist
- Speed to receive news has increased
- More wholesome reportage (stories from different perspectives)
- Possibility to be in contact with the journalists (email, phone)

## **Cons**

- Veracity of news has decreased
- Journalists are taking more risks to receive raw news/information
- Unverified news being published
- First hand witness represent only a small perspective of an event
